## Additional Information

### I've received a ticket, what am I required to do?

First, you cannot simply ignore or delete the ticket. You are required by CA Gov Code 4216.3(a) to respond to the ticket in one of three ways:

- 1: Mark your facilities that are near the proposed excavation : 4216.3(a)(1)(A)(i) Locate and field mark within the area delineated for excavation and, where multiple subsurface installations of the same type are known to exist together, mark the number of subsurface installations.
- 2: Provide information to the excavator about the location of your facilities in relation to the proposed excavation : 4216.3(a)(1)(A)(ii) To the extent and degree of accuracy that the information is available, provide information to an excavator where the operator's active or inactive subsurface installations are located.
- 3: Notify the excavator that your facilities are clear of the proposed excavation : 4216.3(a)(1)(A)(iii) Advise the excavator it operates no subsurface installations in the area delineated for excavation.

Second, you are required by CA Gov Code 4216.3(c) to then record the action you took when responding to the ticket with the Electronic Positive Response system. For more information on how you can post electronic positive responses for your tickets please visit ([pos res link](#))

### You are required to keep your contact information and area of interest mapping up to date per Title 19 California Code of Regulations Section 4003

Visit the Damage Prevention Portal ([link](#)) to ensure your company account information is always updated and accurate. Incorrect or outdated information could lead to missing tickets and damaged facilities.

### Do you need any help or assistance with your Underground Service Alert of Northern California and Nevada membership?

Contact our Member Services Department for help and assistance with your Underground Service Alert membership at [memberservices@usan.org](mailto:memberservices@usan.org)

### Need excavation/law booklets or 811 stickers to hand out to your team or excavators in your region?

Go online to <https://usanorth811.org/services/order> to request law booklets, handouts, or stickers for you to distribute in your region.
